**CALROSSIE LORD ROTHES 1709974
AND THOS. E. WILSON HIS OWNER.**

CALROSSIE LORD ROTHES 1709974, bred by John MacGillivray, Ross-shire, Scotland. Selected as a most likely stock bull to succeed Browndale Count as chief sire at Edellyn. His sire, Royal Banker, is by Naemoor Gaffer, a son of the celebrated Garbity Field Marshal. His second sire is a grandson of the great breeding bull Collynie Cupbearer, and the third sire is a son of the famous Max of Cluny. He excels in breed character and style two things which must be looked for in a sire. These qualities are most pronounced in his get. Their heads are remarkable in character pronouncement, and in style, conformation and quality they are replicas of their sire. We feel justified in asserting that visitors after a study of his get to sell in this auction, will rate his get highly and the offering one of the strongest yet presented from Edellyn.

We Again Invite You

TO visit Edellyn for our Tenth Annual Sale and to inspect and pass judgment on the season's production from this herd. It has been our established custom to offer our bull and heifer production in our annual sales.

We offer a select lot of bulls by Imp. Calrossie Lord Rothas, Glenburn Field Marshal and other good sires and among these are outstanding show specimens. The heifers as a whole, most of them by the above named bulls, are by far the most select lot we have ever sold. Among them are outstanding show specimens of rare attractiveness and near models in type. We feel quite proud of this lot of females for they confirm our judgment as to the outstanding worth of Calrossie as a sire. We feel quite sure that visitors to Edellyn sale day will agree with us as to their outstanding attractiveness. Both Mr. Dickson and myself look forward with no little pleasure to meeting admirers of the breed at Edellyn on this occasion.—Thos. E. Wilson.

Terms and Conditions

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. TERMS: Cash, unless other arrangements are made before sale.

Breeding list furnished sale day.

BROWNDALÉ COUNT 1156438

The History Making Sire

Rated as the Greatest Breeding Bull of all time. His sons won the International Live Stock Grand Championship for 1928 and 1929 and his grandson Divide Sensation, was grand champion at the same show in 1931 and 1932. In the Western Circuit a grandson has not met a defeat in two seasons. Premier honors in the leading shows of Canada have gone to a son for two seasons. Browndale Count's sons breed on and win on. In the Get of Sire class for a number of years, no stock bull in America has made a record comparable to the record made by the Brown- dales. Much of his blood is represented in the pedigrees of the cattle selling in this sale.

A Superior Offering

I cannot recall in my entire experience, a presentation of a more uniformly pleasing lot of heifers than are those by Calrossie Lord Rothes to be sold in this sale. In type, pleasing heads, smoothness and compactness they are a near approach to the "Model Type" for the breed. They make the most notable contribution that Edellyn has yet made to an auction sale offering.

Among the bulls are many that are outstanding show and herd heading prospects and those in need of a breeding bull by great sires that are the product of dams of rare merit will make no mistake in studying those offered at this time.—Geo. E. Martin of The Short-horn World.

GROUP OF SALE HEIFERS

The Females Are Outstanding

WE have omitted the usual comment as to the heifers in the sale. The fact is that they are so uniform in type and quality that comment on the various individuals making up this offering would be repetition in nearly every instance. We know they are the grandest lot of heifers yet produced at Edellyn and I believe this will be universally conceded by all who see them sale day. There isn't a plain one in the lot.—John Dickson, Manager, Edellyn Farm.
